AD: CAP - Capital Policy

Originated: Oct. 13, 2010
Revised: Dec. 2016
Review: Sep. 2020
Approved: Sep. 2020

POLICY:

The Board shall adopt regulations to ensure that the capital furnishings and equipment of the Lac La Biche County Library Board are managed in an efficient and appropriate manner. Further the regulation shall ensure that capital is repaired and replaced on an appropriate schedule allowing preservation of the assets of the Library Board and to keep the Library as modern and appealing as is fiscally possible. Capital furnishings and equipment are defined as any items which original purchase price or fair market value exceeded \$500.

Capital Guidelines:

Asset Tagging

All capital furnishings and equipment shall be marked as the property of the Lac La Biche County Libraries with an indestructible tag or permanent marking.

Capital Asset Schedule

A schedule of all capital furnishings and equipment will be maintained on an ongoing basis showing a description of the item, its original acquisition value and the year acquired. The schedule will also show a replacement year required. Any known maintenance costs or warranty expiry periods shall also be noted.

Asset Maintenance and Replacement

The annual operating value shall include resources allowing for any items from the capital asset schedule which life cycle will expire in the coming year. Warranty expiry costs will also be taken into consideration should maintenance for these items need to be budgeted.

Life Cycle for Assets

Following is a recommended schedule for asset replacement to be used as a guide.

Computers and related equipment	5 years
Furnishings	10 years

Disposal

When assets have reached their useful life and are deemed ready for disposal by the Library Director, a list of items being disposed will be presented to the board for approval. Appropriate methods of disposal are donation to a community group requesting the item, donation to another library, public sale of the items in the library in a garage sale fashion, deposited at the local recycling center, or taken to the local landfill. Disposal method and procedure will be managed by the Library Director. Disposals of any computer related items must be completed with Northern Lights Library System's policy requirements. Proceeds from all sales of assets may be restricted for future asset purchases. ♦

AD: CON - Confidentiality of Records

Originated: Jan. 27, 2009
Review: Sep. 2020
Revised: Sep. 2020
Approved: Jun. 15, 2020

POLICY:

1. All library employees, trustees, and volunteers shall hold in strict confidence any information or records relating to library business.
2. Records and transactions relating to library members with or without library membership are held in strictest confidence.
3. The Lac La Biche County Library Board recognizes that all library records exist for the sole purpose of protecting public property and are not to be used to identify specific material used by a library member.
4. Library records will be available to local, provincial, or federal governments, including law enforcement Officers with a subpoena, process or order pursuant to the law, provided that the order is in proper form.
5. Upon request, a library member will be given access to all information concerning their records that the library has on file. Access to a member's record is limited to that member with the following exceptions:
 - a. In the case of a library member twelve (12) years of age and under, complete access is also provided to the parent.
 - b. In the case of a library member thirteen (13) to seventeen (17) years of age inclusive, access is also provided to the parent if the information is provided to aid in the retrieval of borrowed library material or the collection of outstanding library charges.
 - c. In the case of a person with limited or no access to library facilities, access to their record will be provided to the person(s) noted in the member record as assisting in the management of the care and return of library materials. ♦

AD: FIN - Finance Policy

Originated: Sep. 14, 2007
Review: Sep. 2020
Revised: Sep. 2023
Approved: Sep. 18, 2023

POLICY:

The Board shall adopt regulations to ensure that the finances of the Lac La Biche County Library Board are managed in an efficient and accurate manner and in accordance with general accepted accounting principles and to provide a sound basis of long-term financial management of the affairs of the libraries, and conserve the assets of the library for the future.

Finance and Policy Guidelines

Audit

The auditor for the Lac La Biche County Library Board shall be appointed annually by the Lac La Biche County Library Board and approved by Lac La Biche County.

Library financial records for the Lac La Biche County Library Board will be prepared by Lac La Biche County Library Board for the auditor. A copy of the audited financial statement shall be forwarded to the Board for approval, to each funding jurisdiction including Municipal Affairs – Public Library Services Branch.

Budget

The Treasurer, the Chair, the finance committee members, and the Library Director will prepare the draft budget, which will be presented to the Library Board in September of each year.

Charitable Donations

The Library Director will be responsible for the maintenance of the list of donations. The Financial Assistant will prepare the receipts for the signature of the Treasurer or Board Chair. The Treasurer **with the assistance of the Library Director and Financial Assistant** shall prepare the report form for Revenue Canada and ensure that it is submitted before April 30th of the following year. For more information see AD: Fun - Fund Development and Donation Policy.

Traveling and Other Expenses

Trustees or staff delegated to attend conferences, authorized meetings or approved travel shall be paid in accordance with budget provisions, set by the board.

Breakfast	\$ 20.00
Lunch	\$ 25.00
Dinner	\$ 55.00
Private Accommodation	\$ 25.00
Mileage	\$ 0.62/km

If meal expenses exceed the allowed listed above, Lac La Biche County Libraries will only reimburse the approved amount. Alcoholic beverages will not be paid for.

Spouse's registration fees, banquet tickets, meal allowances and travel expenses will **not** be paid.

Reimbursement claims should be submitted for processing within 30 days.

Financial Records

Primary financial records (bookkeeping) of Lac La Biche County Library Board shall be maintained by Lac La Biche County Library Board in accordance with the Board's record retention guideline AD- REC.

All other financial information for both locations will be maintained on the premises of the Stuart MacPherson Public Library.

Financial Statements

The Treasurer is responsible for the overall supervision of the budget.

Monthly financial statements shall be prepared by the staff of the Lac La Biche County Library Board, outlining the current year budget, year to date expenses, budget variances and percentage expended.

Fiscal Year

The fiscal year of the Lac La Biche County Library Board shall be January 1 to December 31, inclusive.

Grants

The Treasurer and the Library Director shall be responsible for ensuring that grant forms are prepared and the accuracy of the reporting forms.

Online banking

The Library Director is authorized to set up electronic funds transfer authority for the Financial Assistant and the Director, and read-only access for the Treasurer and Board Chair. The setup of this access or any adjustments to it due to changes in names of individuals shall have prior approval by the Treasurer and Board Chair.

When payroll online payments are to be made, there shall be a source document with prior approval by a bank signing authority. A listing of all electronic transactions shall be provided with the bank reconciliation monthly to be reviewed by the Treasurer along with the source documents for such transfers.

Purchasing Card

To facilitate internet purchasing, travel expenses and international subscription payments and in order to save the cost of money orders the library will have one credit card. This card will be in the name of the Library Director for the purposes of travel, in person purchasing, booking hotel rooms or other reservation requirements, and online/internet purchasing of subscriptions, equipment, and other services. The card holder will be required to sign the "Purchasing Card Agreement" as identified in Appendix A of this policy, acknowledging the conditions under which the card has been granted and may be used.

At the end of each month each card will be reconciled by the Purchasing Card Holder (see attached information "Purchasing Card Reconciliation" as identified in Appendix B of this policy). The reconciliation of the cards will be approved by a bank signing authority within two weeks of receiving the card statement.

Proof of reconciliation and authorization shall be provided along with the monthly bank reconciliation for review by the Treasurer.

Vouchers

Vouchers will be prepared by the Financial Assistant; either the Treasurer or the Chair will approve the voucher. Once the cheques are issued; the Library Staff are responsible to ensure that they are accurate and mail them to the vendor.

Investments

Surplus Operating Cash

At times the Library Board may accumulate surplus operating cash that is not required for short term (less than 1 year) operations. The Finance Committee will review cash projections on a monthly basis and recommend to the Library Board when surplus cash will be moved to a high interest savings or other investment vehicle with guaranteed principle protection.

Capital Campaign or planned savings

At times the Library Board may deem in its budget to create savings for a particular future purchase. This may be the result of revenue generated outside the operating grants from Lac La Biche County and Alberta Municipal Affairs and also funds generated by fundraising activities. The investment of such funds shall be matched with the intended investment period and will be placed into the highest interest-bearing instrument with guaranteed principle protection. When determining the savings required, the Library Board shall determine whether the interest on the investment is to be restricted for the intended savings purpose or whether interest income is available for Library operations.

Reserve Funds

The overall intended purpose of the reserve funds is to hold planned surpluses for future purposes, support cash flow interruptions and soften the impact of unanticipated expenditures that may arise. The Board has approved the following reserves to be established:

1) Restricted Sustainability Reserve

This reserve consists of three months of salaries and benefits and an amount for unavoidable supplies. It would be topped up annually to allow for inflation. Its

intended uses would be to pay the costs associated with closure of the Library Board entity, in disaster conditions or to weather extended delays in the operating grant.

2) Asset Life Cycle Replacement Reserve

As per AD: CAP – Capital Policy, the Library must plan for the Asset Life Cycle replacement of all computers and furnishings. This fund would be built to accommodate this replacement or matching of grants to do the same.

3) Succession Planning Reserve

This fund is especially required to allow for retirement planning of key positions in the library. An amount to cover the cost of training, recruitment, overlap of salary, and mentoring costs would be built along with succession plans by the HR Committee.

4) Funding Leverage Reserve

Grants applied for by the Board for operational costs of programming and services often are granted on a matching basis. This fund would be used to provide the onetime matching dollars required.

5) Unrestricted Reserve

This would represent an amount of not greater than 10% of the operating cost and could be used to cover any unforeseen funding losses.

The Board will maintain a balance in all reserve funds based on recommendation of the Finance Committee after the end of each fiscal year. To access these funds the Library Director would provide a proposal to the Finance Committee for review. All recommendations of the Finance Committee require full Board approval.

Financial Accountability

The Library Board will adhere to the Annual Accountability Cycle as outlined in Appendix C of this policy. This is required to ensure efficient administrative operation and to meet requirements as established by funders and the Canada Revenue Agency. ♦

AD: FUN - Fund Development and Donations

Originated: Jan. 2011
Review: Sep. 2020
Revised: Jun. 2023
Approved: Jun. 19 2023

POLICY:

The Lac La Biche County Library Board endorses and supports fund raising endeavors to supplement its resources in providing effective services to its patrons.

Fund raising initiatives will be structured, will engage other members of the community to assist, will focus on both short and long terms needs as identified in our Plan of Service, and will appropriately acknowledge the generosity of benefactors.

PURPOSE:

The following guidelines and procedures provide parameters and direction for fulfilling the intent of this policy.

A. Friends of the Libraries (Fund Raising) — Terms of Reference

1. Introduction

The Lac La Biche County Library Board believes it is important and valuable to have supportive community members engaged in the ongoing development and growth of the Lac La Biche County Libraries.

Accordingly, fund-raising sub-committee of the Board works with the Board and its staff to attract additional funding and support for library operations.

Our libraries are public institutions primarily funded through municipal and provincial taxes. Through Friends of the Libraries, the Board pursues additional fundraising endeavors in support of our defined and evolving needs.

2. Role and Responsibilities

Friends of the Libraries activities primarily focus to:

- a. Provide advice and assistance to the Library Board on its fund development and donation policies and guidelines,
- b. Help develop and implement targeted fund-raising campaigns.
- c. Assist the Library Director in preparation and submission of Board approved grant proposals.
- d. Assist staff in planning and hosting special events.
- e. Assist with identifying and contacting prospective donors, supporters, and/or funders,
- f. Alert the Library Board to potential partnering or collaborative arrangements with other agencies or organizations locally or beyond,
- g. Ensure our fund-raising endeavors are consistent with established Library Board policies, and Plan of Service priorities.
- h. Provide advice and support on garnering and maintaining public awareness and media attention.
- i. Advise the Library Board of any emerging problems or issues which might impact our fund-raising ability or priorities.

3. Funding Policies and Guidelines

The Library Board has established policies, guidelines, and procedures to cover a broad range of funding sources, the handling of gifts and donations and a structured approach to donor recognition.

Upon request, a Library Board approved schedule of projects or initiatives that would benefit from fund raising endeavors will be provided to the Friends of the Libraries by the Library Director.

4. Committee Representation

The Friends of the Libraries will be composed of up to five (5) active community members at large, up to two (2) members of the Library Board and the Library Director. The committee will be chaired by a member of the Library Board.

Community members will generally be representative of a broad cross section of the regional community, will be individuals that have demonstrated an interest in community growth, and will have contributed to its development.

Community members will be invited to serve for a minimum of a two-year term and will be encouraged to consider a reappointment if their availability permits.

Committee members are appointed by the Library Board. Should a major conflict or problem arise with a committee member that cannot be resolved, the Library Board may remove that member from the committee.

5. Summary

Friends of the Libraries' activities seek to generate greater awareness and stimulate creative ideas in ways that individuals and organizations might contribute to our libraries.

B. Charitable Donation Status:

The Lac La Biche County Library Board is a designated charitable organization, registered with the Charities Directorate of Canada Revenue Agency (CRA) and as such is able to provide tax deductible receipts for all donations meeting CRA standards and regulations.

C. Fund Development Guidelines:

When a Board approved formal initiative is required, a Fund Development Plan will be utilized by the Friends of the Libraries as the primary guiding document in pursuing funding support.

The plan will address needs in three categories; capital, programs/services and collection & materials. The plan will be revised as required to maintain a relevant perspective.

The plan will include a listing of the equipment, materials, and program/service needs which require funding, the associated costs, a prioritization of those items/services, as well as prospective donor groups or individuals. Where matching funding may be available; those resources will also be identified.

D. Donations/Gifts Guidelines:

For income tax purposes, a gift or donation is defined as a voluntary transfer of property to the library, made without the expectation that any benefit will accrue to the donor or anyone designated by the donor. No benefit of any kind may be provided to the donor or to anyone designated by the donor except where the benefit is of nominal value.

Canada Customs and Revenue Agency defines nominal value as a fair market value of less than the lesser of \$75 or 10% of the amount of the gift. It is permissible and encouraged for donors to receive recognition for their gift.

Donors may be eligible for a charitable tax receipt that may be claimed as a non-refundable tax credit on an income tax return.

The following donation/gift guidelines are consistent with the regulatory requirements of the CRA Charities Directorate.

Recognized contributions may include:

- a) Cash donations – cash, cheque, or money order
- b) Formal written pledges – specifying a donor commitment to pay a specified amount over/by a specified time frame.
- c) Gifts-In-Kind – may involve both goods and services and will be accepted based upon Fund Development Plan needs and receipted at fair market value and applicable CRA guidelines (donations of Artwork requiring an income tax receipt will be subject to CRA Valuation and Taxation rules).
- d) New and used books and collection materials; receipted per Library Policy
- e) Bequests and In-Memorium contributions
- f) Designated giving through cash, pledges or gifts-in-kind to specific capital items, programs, or services.
- g) Any events which have fund raising as main purpose will have complete cost and revenue tracking.
- h) Ensure that any costs associated with fundraising are well below the CRA ratio of 35%.

Acceptance of donations will be handled as follows:

- a) Receipting of same shall be analyzed by the Library Director and recommended to the Board.
- b) Where items are donated, they become the property of the Libraries and fall within the material disposition policies of the Board.
- c) Any major property donation must be accompanied by written evidence that it is free and unencumbered.
- d) The Board may accept conditions on the disposition of donations where it deems the proposed conditions to be reasonable and feasible.
- e) The Board reserves the right to use the donation in the best interest of the library and shall make decisions regarding the investment, disposition, and/or eventual disposal of all donations.

Acceptance of Pledges spread out over more than one budget year will be handled as follows:

- a) The Donor Recognition level assigned to a donor will be based upon the amount of the total pledge.
- b) The signed Pledge Form will reflect the total pledge and the amounts to be paid initially and in each subsequent year of the total pledge period.
- c) An annual reminder will be created whereby the Donor will be contacted at an assigned time in the subsequent pledge years to provide a reminder of the pledged amount due and making arrangements for that payment.
- d) Receipts will be produced upon each payment for the actual amount paid.
- e) Where a Donor is not able to make the pledged payment in subsequent years at the anniversary date of the initial payment, that pledged payment will be accepted up until the end of the 2nd donor year and so on thereafter during the life of the pledge.
- f) In the event a donor does not fulfill their entire pledge commitment they will receive Donor Recognition to the level of their received contribution.

E. Donor Recognition Guidelines:

The Library Board holds all donors in high esteem. Donor relationships are of high priority.

Therefore, while seeking donations in support of library priorities, the staff, Board members, and volunteers have an ethical responsibility to uphold the interest and well being of the libraries' benefactors.

The Board's donor-centered communications, records management and recognition activities adhere to the following practices:

- Donors can expect to receive prompt acknowledgement of their gifts.
- Donors can expect to be informed of the specific destination of their gifts.
- Donors can expect to receive meaningful and measurable information of their gifts at work prior to being asked again to give to the library.
- Donor recognition involving public acknowledgement will take place only when a signed permission form has been received from the donor.
- The contents of all donor records maintained by Library Staff shall remain confidential unless the donor provides express written consent to do otherwise.

The Library Board will not implement sponsorships and naming strategies related to donations.

AD: PBA - Public Access Computers/Internet Access

Originated: Mar. 19, 2008
Review: Sep. 2020
Revised: Dec. 2016
Approved: Sep. 2020

POLICY:

BACKGROUND

In response to advances in technology and the changing needs of the community, the Lac La Biche County Library Board has established public computers providing access to the Internet and other electronic resources.

The Internet, as an information resource, enables the library to provide information beyond the limits of its own collection. These public access computers provide the opportunity to integrate electronic resources from information networks around the world with the Library's other resources.

ACCESS POLICY

1. The Internet is largely an unregulated medium and there is little international, federal, provincial, or municipal control of its users or content. While it offers a wealth of information that is personally, professionally, and culturally enriching, it also enables access to some material that may be offensive, disturbing, or illegal.
2. The Library does not monitor and has no control over the information accessed through the Internet and is not responsible for its content. Patrons are responsible for the Internet sites they reach and the information they access. Parents or guardians, not the Library or its staff, are responsible for the Internet sites and information accessed by their children.
3. All public access computers, the Internet and the other electronic resources provided by the Library are available equally to all library patrons. Only parents or guardians may restrict the access of their own children to these resources, subject to the guidelines related to length of time of usage.
4. The Library, and its staff, cannot control the availability of access to the Internet or to specific information sites. The capacity of the Library's Internet provider is limited, and access is not available at all times. As well, information sites change rapidly and unpredictably. Finally, not all Internet information sources provide accurate, complete, or current information. Patrons need to be careful information consumers and question the validity of the information received.
5. Library staff, assigned to other library duties, cannot provide in-depth training on the Internet, computer hardware or software use or computer jargon during regular hours of operation. The first priority of the staff on duty is to the regular circulation duties in the Library. Trained Internet volunteers may be available for the assistance of the Internet user. However, if time and job commitments allow, staff can assist patrons in accessing the Internet, offer searching suggestions, and answer questions. The Library will provide materials to assist the patron while searching on the Internet

6. Use of the public access computers is at the sole risk of patrons. The Library will not be responsible for damage to a library member's USB, computer and/or laptop, smart device, or for any loss of data, damage or liability that may occur from a patron's use of these computers, whether from computer virus infection, or otherwise.

ACCESS PROCEDURES

Computer and internet access procedures are administered by Library Staff and are included in the following guidelines.

GUIDELINES AND PROCEDURES

1. The public access computers will normally be available during regular Library hours.
2. Use of the public access computers will be on an appointment basis. If there is no booking, computers will be available on a 'first come - first served' system. You must sign-in prior to using any of the computers, providing your correct name. Appointments may be made in advance, either in person or by telephone during regular Library hours.
3. Users of the public access computers are not allowed to go in Internet sites that promote hatred; display pornographic material or access inappropriate Internet sites. Access to computer management files is also strictly forbidden. Users that enter these sites or files will be asked to leave the computer station.
4. Further to point "3", misuse of the public access computers will result in the loss of computer access for thirty days. Subsequent events of computer misuse will result in the loss of computer privileges for one year.
5. In addition, any child under the age of 13 years must be supervised by an adult or have permission from the staff member in charge to be without adult supervision when using the internet.
6. Management of patron computer usage will be handled by library staff.
 - a) Time will be allotted in 1 (one) hour periods.
 - b) 25% of the computer stations will be designated as express stations with a time limit of 15 minutes.
 - c) Requests to download files must be made to staff and may be permitted. There shall be no downloading of copyright information.
 - d) At the end of a one-hour slot, a patron may sign-in for an additional time if no one has booked that time slot.
 - e) After two hours of computer use, a patron must leave the computer station if the computer is needed.
 - f) Requests for time extensions for academic/research purposes will be accommodated if possible.
 - g) Latecomers forfeit the portion of their reserved time slot already used and after ten minutes, another patron may be assigned that slot.
 - h) When there is more than one person at a computer at a time, the time slot applies to all users.
 - i) Headsets must be used if the computer session involves the use of sound. The library does not provide headsets due to sanitary reasons.
7. Personal software programs or unapproved computer hardware may not be used on the public access computers in order to prevent the spread of viruses.
8. The Library provides a printer for print usage and up to \$2.00 worth of copying will be provided when used for education or job-hunting purposes. Thereafter applicable charges will apply. Regular copying rates apply for non-academic purposes. Printing rates are posted in the library.

9. Access to the internet and some information sites may not always be available for the following reasons:
 - a) The Library's internet service provider lines are all busy or the system is otherwise out of service.
 - b) The Library's public access computers are temporarily out of service due to technical difficulties.
 - c) There are too many visitors to an internet information site and the host computer has temporarily closed or limited site access.
 - d) The host computer for the information site has changes its address or closed down.
 - e) Access to the information site is restricted to authorized individuals only.
10. Users of the internet terminal should be familiar with operating and accessing the Internet. Users must have basic computer skills which include the use of a mouse and familiarity with the Windows program.
11. If possible, trained Library Staff may be available to help you access the Internet.
12. Parents are requested to supervise their children's use of the public access computers and the internet. Children under the age of six years must be directly supervised by an authorized individual twelve years or older when they are using computers. ♦

AD: PUB - Public Use of the Library Facility

Originated: Mar. 19, 2008

Review: Sep. 2020

Revised:

Approved: Sep. 2020

POLICY:

1. The Board has the sole responsibility for the allotment of time and space for the use of the library area.
2. The registration for the individual study rooms will be handled at the circulation desk, while the Lac La Biche County Staff will be responsible for the general use room bookings. Reservations for the library facility in Plamondon will be handled by the staff at École Plamondon and the Library Director will be notified of any changes to library regular service.
3. Library sponsored and co-sponsored events will have priority over non-library programs, but whenever possible, advance registration will be honored.
4. Alcoholic beverages and smoking will not be allowed in the library premises. ♦

AD: REC - Record Retention Policy

Originated: Mar. 19, 2008
Review: Sep. 2020
Revised: Jul. 2019
Approved: Sep. 2020

POLICY:

Retention of Library Records

The purpose of this Policy is to ensure that necessary records and documents are adequately protected and maintained. The Lac La Biche County Library Board will retain the library records based on the schedule outlined in the Records Retention Schedule Policy (AD:RCR).

Protection of Library Records

Permanent library records for both library locations will be stored at ALLB in locked metal cabinets. The Lac La Biche County Library Board will retain electronic copies both onsite and at a secondary location (Dropbox for Business) in case of a disaster. For detailed information on records handling and storage in the advent of a disaster please refer to policy AD:SEC (Security Planning & Disaster Recovery).

Regular backups onto flash drives and portable hard drives should occur monthly and at the end of the fiscal year. USB devices are to be kept onsite in locked cabinets and portable hard drives stored in the safe. Each staff member is responsible to scan their devices regularly to ensure that the data is secure and that no viruses are present.

When employees are authorized to access files off-site, it will be online via Dropbox for Business. Dropbox for Business is a highly secure site in which files can be kept confidential and a logon is required to access the files. The Library Director has administrative privileges to close accounts when staff leave, manage shared documents, and ensure that the records retention schedule is upheld. Updates to Dropbox files should occur on a regular basis.

Disposition of Lac La Biche County Library Board Records

Library records which have been slated for disposal following the time guidelines outlined in policy shall be shredded or incinerated by the Library Director and/or appointed personnel. The records to be disposed of shall be listed in a document to the Lac La Biche County Library Board.

The Library Board will make separate motions for the destruction of the records only if the item is not covered in the Records Retention Schedule. The records will then be disposed of by the Library Director or appointee and a record will be made of the date, method of disposal and time of destruction. ♦

AD: RIS - Risk Assessment Policy

Originated: Aug. 2019
Review: Sep. 2020
Revised:
Approved: Sep. 2020

POLICY:

Risk assessment is the identification and analysis of internal and external risks relevant to the development of plans with respect to organization changes that may give rise to security, financial or reputational risk. Risk assessments serve to evaluate the nature and extent of risks and development of a plan to mitigate those to the greatest extent possible. Risk assessment is a continuous part of the Lac La Biche County Library Board's internal control process.

PURPOSE:

A risk assessment is a systematic examination undertaken to:

- Assess short- and long-term risks,
- Identify significant hazards,
- Assist with allocation and use of resources,
- Assess potential injury severity and likelihood,
- Implement control measures to reduce workplace risks, and
- Improve operational effectiveness and efficiency.

Risk management contributes to the achievement of the Library's strategic objectives and directions through the continuous review of processes and systems that are in place. It is an integral part of the governance framework and operational and strategic planning processes.

Risk assessments should be carried out by the Library Director and Lac La Biche County Library Board designates. A risk assessment should be conducted when new equipment, services and/or procedures are implemented to identify possible hazards. Risk assessments should be reviewed regularly, and adjustments made as required.

1. Evaluate the risks to identify possible control measures, while identifying existing controls.
2. Record findings using the Risk Assessment Form and present to the Lac La Biche County Library Board.
3. Review assessments regularly to ensure that controls have been activated and to identify any new hazards that may have arisen and require plans to remediate. ♦

AD: RES - Resource Sharing

Originated: Nov. 21, 2007
Review: Sep. 2020
Revised: Jul. 2015
Approved: Sep. 2020

POLICY:

1. The Lac La Biche County Libraries participates in the provincial interlibrary loan network by virtue of membership in the Northern Lights Library System (NLLS), TRAC (The Regional Automation Consortium) and ME Libraries (Alberta Wide Borrowing). Therefore, it shall abide by the rules and procedures of the above organizations.
2. The Library Board sees resources sharing as an integral part of the service provided by the Lac La Biche County Libraries. The Library Board feels that every attempt should be made to fulfill any library member's request and will reciprocate by providing any material request by other participants the aforementioned programs.
3. The Lac La Biche County Libraries will promote interlibrary loan, TRAC and ME Libraries through publicity, displays, and presentations.
4. It is the policy of the Library Board to provide access to information for members of our Libraries. Therefore, if our Libraries do not own the needed information, the Libraries will endeavor to obtain it through the most efficient means possible. The Libraries will participate in programs that encourage the sharing of library resources.
5. All requests from other libraries will be filled in a timely manner from our collections. Borrowing libraries shall pay the Lac La Biche County Library Board for any lost or damaged books out on loan. ♦

POLICY:

The Lac La Biche County Library Board supports the need for all students to attend classes as required by the local school authorities.

All school age students are required to have written proof that they are not required to be in attendance in school during regular school hours. This proof may be a spare pass from the school or a note from the parents that is signed and has a contact number for the parent.

The library staff will request a student to contact the school or parent/guardian and have the administrator/parent/guardian contact staff if they do not have a spare slip or note available.

If a school age student does not have the appropriate permission, as noted above, they will be asked to leave the library. ♦

AD: SEC - Security Planning and Disaster Recovery

Originated: Mar. 2011
Review: Aug. 2023
Revised: Sep. 2023
Approved: Sep. 2023

POLICY:

In order to ensure the safety of Library Members and Staff, the Lac La Biche County Library Board has established the following Security Planning & Disaster Recovery Policy. The Library Director shall ensure that sufficient resources and plans exist to deal with emergency situations. At minimum, these resources and plans shall include:

- Two first aid certified employees on staff
- Communication with other agencies for assistance
- A current emergency contact list posted near the circulation desk
- One first aid kit equipped with the required supplies

1. Building Evacuation

The building should be evacuated whenever remaining in the building becomes dangerous or upon the request of government authorities.

- Remain calm and leave the building as quickly as possible.
- When evacuating persons with disabilities, ask how you can help before giving assistance. Ask how he/she can best be assisted or moved, and whether there are any special considerations or items that need to come with the person.
- Get the attention of a person with a hearing disability by touch or eye contact. Clearly state the problem. Gesture and pointing are helpful but be prepared to write a brief statement if the person does not seem to understand.
- Do not grasp a visually impaired person's arm. Ask if he or she would like to hold onto your arm as you exit, especially if there is debris or a crowd.
- Take with you: your car keys, purse, briefcase, etc. if taking them does not delay an orderly evacuation. Do not attempt to take large or heavy objects.
- Shut all doors behind you as you go. Closed doors can slow the spread of fire, smoke, and water.
- Proceed as quickly as possible, but in an orderly manner. Do not push or shove. Hold handrails when you are walking on stairs.
- Once out of the building, move away from the structure to a designated muster point.
- Assign one present staff member to ensure that all staff and library members have left the premises.

2. Fire

At the first indication of smoke or flame, investigate the situation to determine the location and extent of the fire.

- Do not panic, but do not under-estimate the potential danger to Library Members or staff.
- If the fire can obviously be contained and extinguished quickly and safely by staff, proceed to do so. Fire extinguishers are mounted on the wall at the following locations:
- Never allow the fire to come between you and the exit.
- Call 911.
- The smoke detectors may set off the fire alarm. Otherwise pull the fire alarm to notify staff and Library Members to evacuate the building. When possible, a staff member should be at each exit to guide Library Members.
- When the evacuation/fire alarm system sounds, or when told verbally, all employees and library members must evacuate the building by the nearest and safest route and report to the designed muster point.
- Do not break a window as the fire needs oxygen to feed.
- Do not open hot doors. Before opening any door, touch near the top. If the door is hot or if smoke is visible do not open the door.
- Do not enter a smoke-filled area. If an area has filled with smoke, all persons must exit via an alternate exit.
- Do not attempt to save possessions at the risk of personal injury. Employees, when close to their workstation during the evacuation, should take their coats and briefcases (if it is safe to do so).
- When evacuating the building the Library Director or their designate will check the restrooms and other rooms to ensure that everyone has left. Doors and windows will be closed if it can be done safely.
- Evacuate to the front parking lot away from the building at the muster point and wait for the Fire Department.
- Do not re-enter the building until the Fire Department, Emergency responders or the On-Site Controller says that it is safe to return.
- Call the Library Director if he/she is not on the premises.

3. Explosion

- Remain calm and be prepared for possible further explosion.
- Crawl under a table or desk and stay away from windows, mirrors, overhead fixtures, filing cabinets, bookcases, and electrical equipment.
- If evacuation is ordered, go to a designated area.
- Do not move seriously injured persons unless they are in obvious, immediate danger.
- Open doors carefully and watch for falling objects.
- Do not use elevators, matches, lighters or telephones.
- Do not spread rumors

4. Health Emergency

Two staff members will hold valid Emergency First certificates but should exercise caution when administering First Aid. No medication, including aspirin, should ever be dispensed to the public.

- Call 911 in the event of a serious problem.
- First Aid supplies are located in the kit near the circulation desk.
- Call the parent/guardian if it is a minor.
- Do not discuss the possible causes of an accident or any conditions that may have contributed to the cause.
- After the person has been taken care of and the incident is over, remain available to help the supervisor with pertinent information for a medical report.
- Call the Library Director if he/she is not on the premises.
- Fill out an accident report.

5. Medical Staff Emergency

- Call 911 in the event of a serious problem.
- First Aid supplies are located in the kit near the circulation desk.
- Call the Library Director if he/she is not on the premises.
- Call the parent/guardian if it is a minor.
- After the person has been taken care of and the incident is over, remain available to help the supervisor with pertinent information for an accident report or, if applicable, a Workers' Compensation report.

6. Power Outage

- During a power outage immediately close the library to the public.
- Follow the building evacuation procedures.
- If you are in an unlighted area, proceed cautiously to an area that has emergency lights.
- Check all bathrooms to make sure that Library Members are not trapped inside without lights.
- There are emergency battery back-up lights in the building and if any of these lights fail to operate, or if an exit light by a door is not working, advise the Library Director so they may be repaired.
- There are flashlights located at the circulation desk and in the staff room.
- Extra batteries will be kept on the top shelf of the supply cabinet in the staff room.
- Turn off computers at the start of a power outage.
- If possible, do not run any water.
- Secure the building from vandalism and intrusion.
- Call the Library Director if he/she is not on the premises.

7. Biohazard

- Leave the suspicious substance where it was found.
- Do not take any action that might spread it to another area.
- Call 911
- Follow the building evacuation procedures.
- Call the Library Director if he/she is not on the premises.

8. Suspicious Package

- In the event of an employee or Library Member discovering a suspicious package the first response is to NOT touch it. Secure the area and notify the local police department.
- A complete evacuation may not be required until advised or request by the police department. If an evacuation is required, please follow the guidelines listed above.

9. Bomb Threats

- Keep the caller on the line as long as possible.
- Ask the caller to repeat the message and try to write down every word spoken by the person.
- If the caller does not indicate the location of the bomb or the time of possible detonation, ask for this information.
- Pay particular attention to background noises such as motors running, background music and any other sounds which may indicate the location from which the call is originating.
- Immediately after the caller hangs up, call 911.
- Call the Library Director if he/she is not on the premises.
- Follow the building evacuation procedures if requested by the police department.
- The police will handle the actual bomb search.
- Do not discuss the threat with others.

All employees must:

- Maintain an uncluttered work area
- Watch for suspicious or unfamiliar packages in their work area
- Not touch or move any suspicious packages
- Notify Library Director or designate if a suspicious package is found, and
- Attempt to record vital information using the attached form "Bomb Threat Initial Response Checklist."

10. Gun Threat

- Announce "Lock Down" in progress to all staff and library members.
- Lock doors and proceed to the nearest room which can be secured and remain inside.
- Cover the windows, move away from the door, and turn off the lights.
- Remain calm and quiet.
- If you are unable to enter a secured space, stay where you are and seek any available shelter and only attempt to leave if you are in immediate danger.
- If it is safe to do so contact 911.
- Once the all clear signal is given, please contact the Library Director if he/she is not on the premises.

11. Missing Persons

- If you sight the individual, inform the Director, the Site Controller, and Emergency Personnel. If the BOLD Centre issued a code “Yellow”, inform them via the radio.
- If the missing person is a child, staff should check the library floor for the child. Inform the appropriate individuals if you see the child.

12. No Heat

- If the facility has no heat immediately close the library to the public.
- Contact a Lac La Biche County Facility Operator/Coordinator and advise them of the problem.
- Call the Library Director if he/she is not on the premises.

13. No Water

- During water shortage immediately close the library to the public.
- Contact a Lac La Biche County Facility Operator/Coordinator and advise them of the problem.
- Call the Library Director if he/she is not on the premises.

14. No Telephone Service

- Call the Library Director from the Library’s cell phone if he/she is not on the premises.
- Contact a Lac La Biche County Facility Operator/Coordinator and advise them of the problem.

15. Water Damage

- Contact a Lac La Biche County Facility Operator/Coordinator and advise them of the problem.
- Call the Library Director if he/she is not on the premises.
- If you know the source of the water and are confident of your ability to stop it (unclog the drain, turn off the water, etc.), do so cautiously.
- Be prepared to help as directed in protecting collection materials that are in jeopardy. Take only those steps needed to avoid or reduce immediate water damage: cover shelf ranges with plastic sheeting; carefully move materials out of the emergency area. Do not remove already wet books from shelves.

16. Local/National Emergencies

- Monitor the news and follow any instructions given.
- Call the Library Director if he/she is not on the premises.
- Evacuate the building or remain in a safe area of the building.

17. Tornadoes

- Do not leave the building. Shut all exterior windows and doors if there is time.
- Do not remain in any open areas as their roofs could collapse. Take shelter in inner hallways or rooms, washrooms, do not stay in the open part which is exposed to the high roof areas (note: flying debris could become lethal).
- Stay away from door openings and windows, crouch, lie flat or get under desks etc.
- Prepare for a power outage. Remain under cover until the storm has completely passed or given the all-clear sign.

18. Earthquakes

- Remain calm.
- Stay in the building. Take shelter within a doorway, in a narrow corridor, or under a heavy table, desk, or bench.
- Stay away from windows, mirrors, overhead fixtures, filing cabinets, bookcases, and electrical equipment.
- Do not attempt to leave the building, as exit stairwells may have collapsed or be jammed with people.
- Remain alert for aftershocks.
- Listen to local radio stations for instructions.
- Assist those who have been trapped or injured by falling debris, glass, etc. Do not move seriously injured persons unless they are in obvious, immediate danger (of fire, building collapse, etc.).
- Evacuate the building if safe to do so. Do not re-enter until the building has been declared structurally sound.
- Check for broken water pipes or shorting electrical circuits. Do not use a match, candle or lighter to find your way, since there may be flammable gas in the air. Shut off utilities at main valves or meter boxes. Turn off appliances.
- Do not use the telephone, except in a real emergency. The lines should be kept free for emergency rescue operations.
- Ensure that sewage lines are intact before running water or flushing toilets.

Salvage of Water Damaged Collections

Books: Cloth or Paper Covers

- Priority

Freeze or dry within 48 hours. **Coated paper** must not be allowed to air dry in a clump or it will permanently block together. If slightly damp and the pages are separable, air dry interleaved pages before items have an opportunity to dry. If saturated, coated paper must be frozen as soon as possible for subsequent vacuum freeze-drying.

- Handling Precautions

Do not move items until a place has been prepared to receive them. Do not open or close books or separate covers. Oversized books need to be fully supported; it may only be possible to move one at a time.

- Preparation for Drying

Closed books that are muddy should be rinsed before freezing. If air drying is not possible, books should be frozen within 48 hours. Separate with freezer paper, pack spine down in milk crates, plastic boxes, or cardboard boxes lined with plastic sheeting.

Coated paper requires that each and every page be interleaved with a non-stick material such as silicone release paper, Holytex, or wax paper. If the leaves cannot be separated without further damage, the book cannot be air dried successfully and must be prepared for vacuum freeze drying.

- Drying Methods

Air Drying is suitable for small quantities for books (less than 100 volumes) that are not thoroughly soaked. Requires space in an area away from the disaster to spread the books out. Books are stood upright and gently fanned open to dry. Keep air moving at all times using fans. Direct fans into the air and away from the drying volumes. Use dehumidifiers as needed to maintain humidity at or below 50 percent RH.

Oversize volumes must lay flat and should be turned when the blotter is changed. Pages should be interleaved with sheets of uninked newsprint or blotting paper that is changed as it becomes saturated.

Freeze Drying (not vacuum thermal drying) is suitable for large quantities of books and books that are very wet. Pack as described above and ship to drying facility.

Vacuum Freeze Drying is suitable for large quantities of books. Wet *coated* paper can only be dried by this method. Pack as described above and ship to drying facility. Pack carefully, as volumes packed with distortions will retain that distortion permanently after vacuum freeze drying.

Magnetic Media: Video and Audio Cassettes

- Priority
Air dry within 72 hours.
- Handling Precautions
Pack cassettes vertically into plastic crates or cardboard boxes.
- Preparation for Drying
Often the casings will keep tape clean and dry. If the tape is damaged, disassemble the case and remove tape. Rinse dirty tapes, still wound on reel, in clean deionized or distilled water.
- Drying Methods
Air dry by supporting the reels vertically or by laying the reels on sheets of clean blotter. Leave tapes next to their original cases. Use fans to keep air moving without blowing directly on the items.
Use dehumidifiers as needed to maintain humidity at or below 50% RH.
- Additional Steps
Once dry, the tapes can be assessed for further cleaning and duplication by a specialized recovery service.

Compact Discs and CD-ROMs

- Priority
Immediately air-dry discs. Dry paper enclosures within 48 hours.
- Handling Precautions
Do not scratch surfaces.
- Preparations for Drying
Remove discs from cases. Rinse discs with distilled water. Do not rub the discs because dirt could scratch. If necessary, blot, do not rub, with a soft lint-free cloth.
- Drying Methods

Case and paper enclosures may be freeze dried. Do not freeze dry the discs. Air dry vertically in a rack.

Wood

- Priority

Begin drying within 48 hours to prevent mold growth. Polychromed objects require immediate attention; notify a conservator.

- Handling Precautions

Move items only after a place has been prepared to receive them. Lift from the bottom of an object; tables from the apron; chairs by the seat rails, not by the arms, stretchers, slats, headpiece, or crest rails; trunks from the bottom, etc.

- Packing Methods

Partially wetted objects can be packed with dry blotting materials such as uninked newsprint or acid free blotters to remove as much moisture as possible. Thoroughly wetted, unpainted objects should be wrapped with blotting materials, then wrapped in polyethylene sheeting to retain as much moisture as possible, since fast drying will cause irreversible damage.

- Preparation for Drying

Rinse or sponge with clear water to remove mud or dirt before drying. Be careful not to wipe or scour as grit will damage remaining finish. Use a soft bristle brush to clean carvings and crevices. If mud has dried, dampen with a sponge and remove with a wooded spatula, rinse. Remove wet contents and paper liners from drawers and shelves.

- Drying Procedure

Absorb excess moisture with sponges, clean towels, paper towels, or uninked newsprint. Blot do not wipe, to avoid scratching the surface.

Air dry, using fans to keep air moving without blowing directly on the pieces. Tent the objects with polyethylene sheeting to slow the drying. Raise items off the floor on trestle or 2x4 lumber to allow air to circulate on all sides. Open doors and drawers *slightly* to allow air to circulate inside the items.

Use portable dehumidifiers to slowly remove moisture from the area and objects. Drying quickly will cause warping and cracking. Bring relative humidity down to 50-55 percent.

Ceramics, Glass, Metals, Stone (Decorative/Historic)

- Priority

These materials can be dealt with last since they generally will suffer little damage from short term exposure to water.

- Handling Precautions

Move items only after a place has been prepared to receive them.

- Packing Method

Varies with the fragility of the material; water/wetness has no bearing.

- Preparation for Drying

Rinse or sponge with clear water to remove mud or dirt before drying.

- Drying Procedure

Sponges, clean towels, paper towels, or unused newsprint may be used to absorb excess moisture. Exchange wet for dry blotting material at least daily until items are dry. Check daily for mold growth.

Air dry, using fans to keep air moving without blowing directly on the pieces. Raise items off the floor on trestles or 2x4 lumber to allow air to circulate underneath.

Metal objects can be dried with moderate heat (90-100° F in an oven or using a heater or hair dryer).

Use portable dehumidifiers to *slowly* remove moisture from the area/objects. Bring relative humidity down to 50 percent.

AD: SEL - Selection, Acquisition, and Disposition of Materials

Originated: Mar. 19, 2008
Review: Sep. 2020
Revised: Dec. 2016
Approved: Sep. 2020

POLICY:

Libraries Act Regulation 11.3 (f)

Selection, acquisition, purchase, and disposition of library materials including a policy respecting gifts and donations.

7.1 Selection

7.1.1 Statement of Intent

The library collection should be extensive, comprehensive, and cosmopolitan. It should meet the basic recreational, informational, and educational needs, both stated and unstated, of the community. The library recognizes its obligations to satisfy the cultural, educational, and artistic needs of a large group of people with varied backgrounds, tastes, and interests. The Library Board encourages its staff, volunteers, board members and the library member to make suggestions as to materials to be purchased.

7.1.2 Selection Criteria

Selection decisions are based upon many criteria, including:

- Favorable attention from reviewers, critics and/or public.
- Relationship to the existing collection - does it supplement the collection, fill a gap, or do we currently have adequate information in that area?
- Receipt of literary, artistic, or other awards.
- Relevance to community needs and interests.
- Popular appeal and/or member requests.
- Accuracy of information and objectivity of opinion.
- Relative importance of subject matter.
- Reputation and/or significance of author, illustrator, or publisher.
- Suitability of physical format for library use.
- Budgetary and space priorities.
- Timeliness - material most up-to-date available.
- Broad representation of literary classics.
- Quality of writing and physical production.

7.1.3 Responsibility

Ultimate legal responsibility for selection of materials rests with the Library Board, which delegates the task to the Library Director operating within the framework of policies set by the Board.

7.2 Censorship

The Library Board does not interpret its function or that of its administrators to be the supervisor of public morals. It believes in freedom of the individual and the rights and obligations of parents to develop, interpret and enforce their own code of acceptable reading upon their household.

There is a possibility that an item or items in the library may be regarded by some as unpleasant or offensive, or in political opposition to local beliefs. If the Library Board is to fulfill its obligation to its community, it must include materials of varied points of view, even those which may be regarded by some as controversial. The Library will provide as far as possible materials on all sides of controversial issues, including representation of unpopular or unorthodox positions without censorship or bias, providing the materials give evidence of a sincere desire to be factual. Unless an item is officially prohibited from entering the province; it cannot be legally withdrawn from the library shelves. If an individual objects very strongly to a particular item she/he will have the right to make an official complaint.

Each complaint will be dealt with in the following manner:

- 1) The Library Member will complete an online [Expression of Concern form](#). Only written complaints will be dealt with. A staff member will review the material with the Library Member, noting areas of contention. The Member will be *informed of* the review procedure and when to expect a reply from the complaint.
- 2) The material will be removed from the shelf until a review is conducted.
- 3) An ad hoc *Reconsideration Committee* composed of the Librarian and two Board Members will meet to review the concerns and decide the future status of the material.
- 4) The Librarian will inform the Library Member by letter of library policy and of the review outcome.
- 5) If the concern cannot be satisfactorily dealt with through this process, assistance will be solicited from Northern Lights Library System Consultants.

7.3 Gifts

The Library Board encourages donations of books and materials to the permanent collection of the libraries. Such gifts are greatly appreciated. However, the same principles of selection are applied to gifts as are to purchases. Any gift material, which is not added to the collection, is disposed of to the best advantage of the Library.

7.4 Statement of Intellectual Freedom

The Library Board affirms the Canadian Federation of Library Association's ~ "*Statement on Intellectual Freedom*" - which reads:

The Canadian Federation of Library Associations recognizes and values the Canadian Charter of Rights and Freedoms as the guarantor of the fundamental freedoms in Canada of conscience and religion; of thought, belief, opinion, and expression; of peaceful assembly; and of association.

The Canadian Federation of Library Associations supports and promotes the universal principles of intellectual freedom as defined in the Universal Declaration of Human Rights, which include the interlocking freedoms to hold opinions and to seek, receive and impart information and ideas through any media and regardless of frontiers.

In accordance with these principles, the Canadian Federation of Library Associations affirms that all persons in Canada have a fundamental right, subject only to the Constitution and the law, to have access

to the full range of knowledge, imagination, ideas, and opinion, and to express their thoughts publicly. Only the courts may abridge free expression rights in Canada.

The Canadian Federation of Library Associations affirms further that libraries have a core responsibility to support, defend and promote the universal principles of intellectual freedom and privacy.

The Canadian Federation of Library Associations holds that libraries are a key institution in Canada for rendering expressive content accessible and affordable to all. Libraries are essential gateways for all persons living in Canada to advance themselves through literacy, lifelong learning, social engagement, and cultural enrichment.

Libraries have a core responsibility to safeguard and facilitate access to constitutionally protected expressions of knowledge, imagination, ideas, and opinion, including those which some individuals and groups consider unconventional, unpopular or unacceptable. To this end, in accordance with their mandates and professional values and standards, libraries provide, defend and promote equitable access to the widest possible variety of expressive content and resist calls for censorship and the adoption of systems that deny or restrict access to resources.

Libraries have a core responsibility to safeguard and foster free expression and the right to safe and welcoming places and conditions. To this end, libraries make available their public spaces and services to individuals and groups without discrimination.

Libraries have a core responsibility to safeguard and defend privacy in the individual's pursuit of expressive content. To this end, libraries protect the identities and activities of library users except when required by the courts to cede them.

Furthermore, in accordance with established library policies, procedures and due process, libraries resist efforts to limit the exercise of these responsibilities while recognizing the right of criticism by individuals and groups.

Library employees, volunteers and employers as well as library governing entities have a core responsibility to uphold the principles of intellectual freedom in the performance of their respective library roles.

Approved by CLA ~ June 27, 1974 and CFLA Adopted August 26, 2016

The Library Board recognizes its duty, in addition to its institutional responsibilities, to uphold these principles.

7.5 Disposition and Weeding

Library materials will be analyzed from time to time by the Library Director utilizing staff from the Northern Lights Library System, for unsuitability. During a local inventory and weeding, local library staff will include Northern Lights materials in their analysis. Unsuitability will be based on comparing materials to guidelines established and amended from time to time by the Library Board.

7.6 Donations

The Library Director accepts donations of money, equipment, furnishings, books, etc.

7.7 Donations of Furnishing, Equipment, Books, etc.

- 1) The Library Director reserves the right to reject donations that are not needed or that would quickly become obsolete.
- 2) The Library Director reserves the right to remove donated items when they become obsolete. Every effort will be made to resell or donate items to another organization. ♦

AD: SOC - Social Media Policy

Originated: Jun. 2018
Review: Apr. 2024
Revised: Apr. 2024
Approved: Apr. 2024

POLICY:

The Lac La Biche County Library Board selects carefully chosen social media tools as an important enhancement to communication, collaboration, and information exchanged between library staff, library members, and the public. The Board recognizes that new tools will emerge which have useful application in the library setting; thus, this policy addresses social media in general.

PURPOSE:

Library social media offerings are intended to create a welcoming and inviting online space where library users will find useful and entertaining information. In some forums, users may be able interact directly with library staff.

“Social media” refers to all online media which allow user participation and interaction including (but not limited to):

- Social networking sites - Facebook, LinkedIn
- Video and photo sharing websites - YouTube, Instagram, TikTok, Twitch
- Micro-blogging and activity stream sites - Twitter, Yammer, Pinterest, Goodreads
- Blogs and blogging platforms - WordPress, Blogger, Tumblr
- Forums and discussion boards - Reddit, Slack, Discord
- Online encyclopedias - Wikipedia
- Reviews - Yelp, Google
- Any other websites that allow individual users or companies to use simple publishing tools such as wikis

Posts may include:

- Material created by the library and maintained by the Library Director or designate,
- Material created by the Library Director or designate on sites created by the library, and
- Material created on other social media sites when acting as a library employee.

When staff uses social media, behavior and content is not only a reflection of the staff member, but also of our libraries. This policy complements, rather than overrides, any existing requirements that staff act professionally, respectfully, and honestly.

Lac La Biche Biche County Libraires curent official social media accounts include:

- Facebook - Posts regarding our programs and services, plus gallery of photos without names and tagging turned off
- Hootsuite – Tool used to post across multiple social media platforms
- Instagram – Posts regarding our programs and services
- Linkin Learning - Posts regarding our programs and services

- Pinterest – Resharing different projects ideas on crafting, STEAM, LEGO and more
- Tik Tok – Platform to share reader’s advisory videos showcasing book covers
- Trip Advisor – Posts regarding upcoming major events
- X (Twitter) – Posts regarding our programs and services
- YouTube – Library produced videos such as Right at Home and Internet Searching

PROCEDURE:

- Only the Library Director is authorized to create social media accounts. The names of pages or accounts should not be changed and should clearly represent the Lac La Biche County Libraries. Only basic information should be given to the company, private information is never shared, and no photos provided beyond our logo with Facebook being the only exception.
- Decisions regarding new social media outlets are made by the Library Director with some consultation from the Library Board.
- All content is reviewed and is subject to being edited or deleted by the Library Director or designate.
- Where possible, each social media page should clearly indicate that it is maintained by the Lac La Biche County Libraries and should have our contact information displayed.
- Where possible, each social media page/profile should include an introductory statement about the page/profile.
- Where possible, social media pages should link to the Lac La Biche County Libraries official website.
- Social media content shall adhere to applicable laws, regulations, and Library Board policies.
- Training both online and in house will occur before authorized persons are allowed to post to any platform and all individuals responsible for posting will annually review the policy and Marketing Plan to ensure our standards are being met. The Marketing Plan will be reviewed annual by the Library Director.

STAFF RESPONSIBILITIES:

When representing Lac La Biche County Libraries via social media, library staff must:

- Conduct themselves as representatives of Lac La Biche County Libraries.
- Not make statements about library members, or post, transmit, or otherwise disseminate confidential information in violation of the Library Board’s policies.
- Except for the Library Director, not represent postings as official opinion or policy.
- Not conduct political activities or personal business.
- Observe and abide by all copyright, trademark, and service mark restrictions in posting materials to electronic media.

THIRD PARTY CONTENT:

- Social media content contributors may consider sharing or liking information on library social media channels from and about other government agencies, community partners, or registered charitable organizations if they operate in or directly benefit library patrons, but are not obligated to do so.
- The library does not create content on behalf of external organizations, rather re-shares information, as appropriate.
- The library is under no obligation to share information about events or activities and event promotion is the sole responsibility of the event organizer.
- A link between a library social media site and any other site does not imply an endorsement or sponsorship.

AD: UNA - Unattended Children

Originated: Mar. 19, 2008

Review: Sep. 2020

Revised:

Approved: Sep. 2020

POLICY:

The Lac La Biche County Library Board hopes that the children who use the library will find the facility to be a warm and inviting place to develop a love of books, reading and the library.

Many programs are offered to make the library enticing to children, but when children are left unattended for several hours when no library programs are offered, they can become disruptive.

IF A PARENT/CAREGIVER FEELS IT IS UNSAFE FOR THE CHILD TO LEAVE THE BUILDING WITHOUT ADULT SUPERVISION, THE CHILD SHOULD NOT BE IN THE LIBRARY UNATTENDED.

The safety of children left alone in a library building is a serious concern. Library staff and volunteers are not responsible for children who are unattended. Parents or caregivers may not leave children under the age of 10 years unattended in the Library unless they are directly and actively supervised by a responsible caregiver over the age of 12.

In order to create an environment of safety, and maintain an atmosphere where reading and study can be encouraged, the following policy has been created:

CHILDREN ARE EXPECTED TO ADHERE TO THE SAME RULES AS STATED FOR ALL PATRONS WITH THE FOLLOWING ADDITIONS:

1. Parents or guardians are responsible for the behavior of their children in the library and may not leave children under the age of 10 unattended, unless actively supervised as above.
2. If a problem arises with a child and we are unable to locate the parent/guardian or if the library is closing and the parent/guardian cannot be located, the police will be called at the discretion of the staff, after a reasonable amount of time up to 30 minutes.
3. Children, over 10, may be left unattended (at the discretion of their parent/guardian) for a period of time not exceeding two hours with appropriate permission as acceptable to the library staff, during regular school hours. Children left unattended should know how to reach a parent/guardian, and parents should be aware of the closing time of the library.
4. When children are left unattended repeatedly and/or for long periods of time, the Library Director or his designate will notify the parent/guardian of the library's policies and require compliance.
5. Staff members will not transport children from the library to any location. ♦
